Dear Stephen,

Our event last night was a tremendous success and I want you to know how much I appreciate your kindness, your hospitality and your generous support. La Provence is a beautiful restaurant in a magnificent setting, and I look forward to coming back when I can enjoy a more leisurely meal and relax with a cigar on the patio.

I'm trying very hard to make a difference in Sacramento, and we've achieved some remarkable successes these past months, but all our work would matter little if we were unable to get our message to the people and *tell* them what we're doing. That's where help like yours is so vital.

Thanks again for being part of a very special evening.

With kind regards,
